All Adoption Fees Waived Saturday for Clear the Shelters Day

SAN DIEGO — With nearly 1,800 pets in care and more than 800 pets ready for new homes, San Diego Humane Society is waiving ALL adoption fees on Saturday, Sept. 7, 2024, for a special “Clear the Shelters” day. The organization is also reducing all adoption fees by 50% during “Clear the Shelters” month now through Sept. 10, 2024.

These promotions are part of NBC Universal and Telemundo’s Clear the Shelters month-long campaign, created to spread awareness about the importance of adoption. With shelters in San Diego County and across the county facing record numbers of pets in care, it’s more important than ever to “think adoption first” when adding an animal to your family.

Unlike previous years, San Diego Humane Society has an abundance of dogs and puppies. Adopting a pet from San Diego Humane Society is not only a compassionate choice, but also a cost-effective one. Every adopted animal comes spayed/neutered, microchipped and vaccinated — services that value more than \$1,000. Adopters also receive an adoption guarantee, a voucher for a free veterinary exam, 30 days of pet insurance at no obligation, training advice, pet supplies and educational information to ensure a smooth transition for pets into their new homes.
